Credit Card Recurring Payment Authorization Form

Schedule your payments to be automatically charged to your credit/debit card. Just complete and sign this form to get started!

Here's How Recurring Payments Work:

You authorize regularly scheduled charges to your credit/debit card. You will be charged each billing period for the total amount due for that period. This means that payments will always be made on time, and you will never incur late fees from us! A receipt will be emailed to you and the charge will appear on your credit card or bank account statement. You agree that no prior notification will be provided to you if the total payment is under \$500.00. If your bill is more than that amount, you will receive notice from us at least 7 days prior to the payment being collected.
